## HYDRASPECMA WIRO AB

### General Regulations

#### Surveillance visits

Surveillance visits are normally conducted once a year. The whole quality system will be re-assessed within a three-year period. Additionally, surveillance may include unexpected visits to the manufacturer, when considered necessary.

#### Validity

The validity of the assessment is automatically prolonged within the period of validity as long as the results of the surveillance visits are approved.

Each third year a re-assessment is performed to verify overall continuing effectiveness of the supplier's quality system in its entirety.

#### Changes

The company shall inform Kiwa Sweden AB of all planned substantial changes to the assessed system.

#### Additional information

For further information see General Regulations issued by Kiwa Sweden AB.
